

Eswatini Railways Donates medical equipment in support of the COVID-19 initiative

Today, 20 May 2020, Eswatini Railways donated medical equipment worth E260, 000.00 to the Kingdom of Eswatini Government through the National Disaster Management Agency in support of the COVID-19 initiative. Handing over the cheque is ESR Board of Directors Chairman Alex Mngomezulu and ESR CEO Nixon Dlamini. In his Remarks ESR CEO stated that as a corporate citizen ESR will always support the government and the nation where possible. He urged all corporates and individuals to come forward and make a contribution in this noble initiative. He then wished everyone good health during this difficult moment.
